THE DEVIL'S
BRIDE

THE DEVIL'S BRIDE

Pointlessly,
- what do
you mean?

So we waited
for the devil's child
to become an adult,
and now were told
"no"?

Has the
devil tried
anything?
He might be
bargaining
for some
time-

Have you been
watching him? What
has he expressed?

Rather than
just sitting here,
we should be pushing
him towards the
right choice!

How could
the contract
be countered?

So, what do you
want him to say?

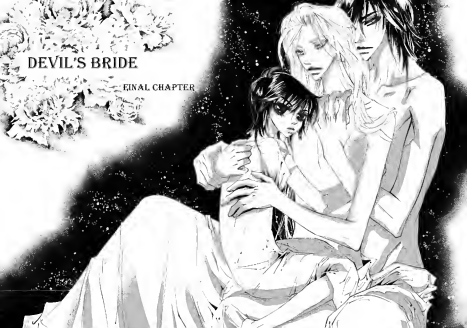

Well, we live
forever, so how can
we complain about the
lack of a deadline?

This was a
perplexing problem.
Then we noticed that
the devil had increased
his activity, and was
growing stronger.

In reality,
how well can
we gauge his
intentions by
what he says?

DEVIL'S BRIDE

FINAL CHAPTER

There was
that matter
of the angel in
the forest who
should've been
found—

Could we not help?
Surely it would have
been better if the
child had died?

There's no
point to talking
about this now.
We should focus on
the future.

Either way,
couldn't we have
just chosen what
happened to
the child?

We need to
think calmly.

He's a devil on
our side, as he hasn't
absorbed the child.

We'll need to be careful if
we don't want him to disappear.

He was supposed
to be injured - why is he
just standing there?

GET OUT!

WHY ARE
YOU HERE?

DEVIL'S BRIDE END

REVIEW

Well,

I did it.

The original intent got a bit lost once we got the intersections of the stories there—it really fit! but that's always the problem when writing something new...

My blog had its own survey, and the overwhelming preference for one couple (Angel and Jya) led me to quietly fold to greed. ^.^ Half joking.

Anyway, I wanted to talk to you now that it's all over. From beginning to end, the protagonist was pushed off to one side because of a foolish reason—my star readers now say, "what are you doing?"—because I wanted to avoid doing too many head-on scenes. In that way, it is a noble sin.

It felt too much like drawing beautiful women, and I've thought... The fact is that this is not my taste protagonists (But aren't you old? This→ it seems to be working).

It seemed like the golden age—because it's like rough stone, just old enough to have dark regrets (hee hee.) However, I did think people would like this too, somewhere.

I'll see you again once I've had a breather (smell fresh blood?)

In the meantime, thanks for coming together

~~FROM OUR TRANSLATED TO ANOTHER~~

Hi, all! I hope you enjoyed reading Devil's Bride; it's been a crazy ride. I did my best, and hopefully if you ever get your hands on an officially-translated version, you don't come calling for my blood (haha... .). What a sucker-punch of an ending, right? Jya and Angel Boy were my faves, and I'm so sad for them. Lei, too... Well, see you in another project!
